**§ 1281.2. Order to arbitrate; Determination of other issues**

On petition of a party to an arbitration agreement alleging the existence of a written agreement to arbitrate a controversy and that a party thereto refuses to arbitrate such controversy, the court shall order the petitioner and the respondent to arbitrate the controversy if it determines that an agreement to arbitrate the controversy exists, unless it determines that:

- (a) The right to compel arbitration has been waived by the petitioner; or
- (b) Grounds exist for the revocation of the agreement.

(c) A party to the arbitration agreement is also a party to a pending court action or special proceeding with a third party, arising out of the same transaction or series of related transactions and there is a possibility of conflicting rulings on a common issue of law or fact. For purposes of this section, a pending court action or special proceeding includes an action or proceeding initiated by the party refusing to arbitrate after the petition to compel arbitration has been filed, but on or before the date of the hearing on the petition. This subdivision shall not be applicable to an agreement to arbitrate disputes as to the professional negligence of a health care provider made pursuant to Section 1295.

If the court determines that a written agreement to arbitrate a controversy exists, an order to arbitrate such controversy may not be refused on the ground that the petitioner's contentions lack substantive merit.

## Cal Code Civ Proc § 1281.2

If the court determines that there are other issues between the petitioner and the respondent which are not subject to arbitration and which are the subject of a pending action or special proceeding between the petitioner and the respondent and that a determination of such issues may make the arbitration unnecessary, the court may delay its order to arbitrate until the determination of such other issues or until such earlier time as the court specifies.

If the court determines that a party to the arbitration is also a party to litigation in a pending court action or special proceeding with a third party as set forth under subdivision (c) herein, the court (1) may refuse to enforce the arbitration agreement and may order intervention or joinder of all parties in a single action or special proceeding; (2) may order intervention or joinder as to all or only certain issues; (3) may order arbitration among the parties who have agreed to arbitration and stay the pending court action or special proceeding pending the outcome of the arbitration proceeding; or (4) may stay arbitration pending the outcome of the court action or special proceeding.

**§ 1281.3. Petition to consolidate separate arbitration proceedings**

A party to an arbitration agreement may petition the court to consolidate separate arbitration proceedings, and the court may order consolidation of separate arbitration proceedings when:

- (1) Separate arbitration agreements or proceedings exist between the same parties; or one party is a party to a separate arbitration agreement or proceeding with a third party; and
- (2) The disputes arise from the same transactions or series of related transactions; and
- (3) There is common issue or issues of law or fact creating the possibility of conflicting rulings by more than one arbitrator or panel of arbitrators.

If all of the applicable arbitration agreements name the same arbitrator, arbitration panel, or arbitration tribunal, the court, if it orders consolidation, shall order all matters to be heard before the arbitrator, panel, or tribunal agreed to by the parties. If the applicable arbitration agreements name separate arbitrators, panels, or tribunals, the court, if it orders consolidation, shall, in the absence of an agreed method of selection by all parties to the consolidated arbitration, appoint an arbitrator in accord with the procedures set forth in Section 1281.6.

In the event that the arbitration agreements in consolidated proceedings contain inconsistent provisions, the court shall resolve such conflicts and determine the rights and duties of the various parties to achieve substantial justice under all the circumstances.

The court may exercise its discretion under this section to deny consolidation of separate arbitration proceedings or to consolidate separate arbitration proceedings only as to certain issues, leaving other issues to be resolved in separate proceedings.

This section shall not be applicable to an agreement to arbitrate disputes as to the professional negligence of a health care provider made pursuant to Section 1295.

If an application has been made to a court of competent jurisdiction, whether in this State or not, for an order to arbitrate a controversy which is an issue involved in an action or proceeding pending before a court of this State and such application is undetermined, the court in which such action or proceeding is pending shall, upon motion of a party to such action or proceeding, stay the action or proceeding until the application for an order to arbitrate is determined and, if arbitration of such controversy is ordered, until an arbitration is had in accordance with the order to arbitrate or until such earlier time as the court specifies.

(a) Any person who proceeds to record and enforce a claim of lien by commencement of an action pursuant to Title 15 (commencing with *Section 3082*) of *Part 4 of Division 3 of the Civil Code*, does not thereby waive any right of arbitration the person may have pursuant to a written agreement to arbitrate, if, in filing an action to enforce the claim of lien, the claimant does either of the following:

(1) Includes an allegation in the complaint that the claimant does not intend to waive any right of arbitration, and intends to move the court, within 30 days after service of the summons and complaint, for an order to stay further proceedings in the action.

(2) At the same time that the complaint is filed, the claimant files an application that the action be stayed pending the arbitration of any issue, question, or dispute that is claimed to be arbitrable under the agreement and that is relevant to the action to enforce the claim of lien.

(b) Within 30 days after service of the summons and complaint, the claimant shall file and serve a motion and notice of motion pursuant to Section 1281.4 to stay the action pending the arbitration of any issue, question, or dispute that is claimed to be arbitrable under the agreement and that is relevant to the action to enforce the claim of lien. Title 9. Arbitration  
Chapter 3. Conduct of Arbitration Proceedings

*Cal Code Civ Proc § 1282.4 (2008)*

**First of 2 versions of this section**

**§ 1282.4. (First of two; Repealed January 1, 2011) Right to be represented by attorney at arbitration proceeding; Conditions for representation by out-of-state attorney**

(a) A party to the arbitration has the right to be represented by an attorney at any proceeding or hearing in arbitration under this title. A waiver of this right may be revoked; but if a party revokes that waiver, the other party is entitled to a reasonable continuance for the purpose of procuring an attorney.

(b) Notwithstanding any other provision of law, including *Section 6125 of the Business and Professions Code*, an attorney admitted to the bar of any other state may represent the parties in the course of, or in connection with, an arbitration proceeding in this state, provided that the attorney, if not admitted to the State Bar of California, satisfies all of the following:

(1) He or she timely serves the certificate described in subdivision (c).

(2) The attorney's appearance is approved in writing on that certificate by the arbitrator, the arbitrators, or the arbitral forum.

(3) The certificate bearing approval of the attorney's appearance is filed with the State Bar of California and served on the parties as described in this section.

(c) Within a reasonable period of time after the attorney described in subdivision (b) indicates an intention to appear in the arbitration, the attorney shall serve a certificate in a form prescribed by the State Bar of California on the arbitrator, arbitrators, or arbitral forum, the State Bar of California, and all other parties and counsel in the arbitration whose addresses are known to the attorney. The certificate shall state all of the following:

(1) The case name and number, and the name of the arbitrator, arbitrators, or arbitral forum assigned to the proceeding in which the attorney seeks to appear.

(2) The attorney's residence and office address.

(3) The courts before which the attorney has been admitted to practice and the dates of admission.

(4) That the attorney is currently a member in good standing of, and eligible to practice law before, the bar of those courts.

(5) That the attorney is not currently on suspension or disbarred from the practice of law before the bar of any court.

(6) That the attorney is not a resident of the State of California.

(7) That the attorney is not regularly employed in the State of California.

(8) That the attorney is not regularly engaged in substantial business, professional, or other activities in the State of California.

(9) That the attorney agrees to be subject to the jurisdiction of the courts of this state with respect to the law of this state governing the conduct of attorneys to the same extent as a member of the State Bar of California.

(10) The title of the court and the cause in which the attorney has filed an application to appear as counsel pro hac vice in this state or filed a certificate pursuant to this section in the preceding two years, the date of each application or certificate, and whether or not it was granted. If the attorney has made repeated appearances, the certificate shall reflect the special circumstances that warrant the approval of the attorney's appearance in the arbitration.

(11) The name, address, and telephone number of the active member of the State Bar of California who is the attorney of record.

(d) The arbitrator, arbitrators, or arbitral forum may approve the attorney's appearance if the attorney has complied with subdivision (c). Failure to timely file and serve the certificate described in subdivision (c) shall be grounds for disapproval of the appearance and disqualification from serving as an attorney in the arbitration in which the certificate was filed. In the absence of special circumstances, repeated appearances shall be grounds for disapproval of the appearance and disqualification from serving as an attorney in the arbitration in which the certificate was filed.

(e) Within a reasonable period of time after the arbitrator, arbitrators, or arbitral forum approves the certificate, the attorney shall file the certificate with the State Bar of California and serve the certificate as described in Section 1013a on all parties and counsel in the arbitration whose address is known to the attorney.

(f) An attorney who fails to file or serve the certificate required by this section or files or serves a certificate containing false information or who otherwise fails to comply with the standards of professional conduct required of members of the State Bar of California shall be subject to the disciplinary jurisdiction of the State Bar with respect to that certificate or any of his or her acts occurring in the course of the arbitration.

(g) Notwithstanding any other provision of law, including *Section 6125 of the Business and Professions Code*, an attorney who is a member in good standing of the bar of any state may represent the parties in connection with rendering legal services in this state in the course of and in connection with an arbitration pending in another state.

(h) Notwithstanding any other provision of law, including *Section 6125 of the Business and Professions Code*, any party to an arbitration arising under collective bargaining agreements in industries and provisions subject to either state or federal law may be represented in the course of, and in connection with, those proceedings by any person, regardless of whether that person is licensed to practice law in this state.

(i) Nothing in this section shall apply to Division 4 (commencing with *Section 3201 of the Labor Code*).

(j)

(1) In enacting the amendments to this section made by Assembly Bill 2086 of the 1997-98 Regular Session, it is the intent of the Legislature to respond to the holding in *Birbrower v. Superior Court (1998) 17 Cal.4th 117*, as modified at *17 Cal.4th 643a* (hereafter *Birbrower*), to provide a procedure for nonresident attorneys who are not licensed in this state to appear in California arbitration proceedings.

(2) In enacting subdivision (h), it is the intent of the Legislature to make clear that any party to an arbitration arising under a collective bargaining agreement governed by the laws of this state may be represented in the course of and in connection with those proceedings by any person regardless of whether that person is licensed to practice law in this state.

(3) Except as otherwise specifically provided in this section, in enacting the amendments to this section made by Assembly Bill 2086 of the 1997-98 Regular Session, it is the Legislature's intent that nothing in this section is intended to expand or restrict the ability of a party prior to the decision in *Birbrower* to elect to be represented by any person in a nonjudicial arbitration proceeding, to the extent those rights or abilities existed prior to that decision. To the extent that *Birbrower* is interpreted to expand or restrict that right or ability pursuant to the laws of this state, it is hereby abrogated except as specifically provided in this section.

(4) In enacting subdivision (i), it is the intent of the Legislature to make clear that nothing in this section shall affect those provisions of law governing the right of injured workers to elect to be represented by any person, regardless

**§ 1283.05. Depositions and discovery**

To the extent provided in Section 1283.1 depositions may be taken and discovery obtained in arbitration proceedings as follows:

(a) After the appointment of the arbitrator or arbitrators, the parties to the arbitration shall have the right to take depositions and to obtain discovery regarding the subject matter of the arbitration, and, to that end, to use and exercise all of the same rights, remedies, and procedures, and be subject to all of the same duties, liabilities, and obligations in the arbitration with respect to the subject matter thereof, as provided in Chapter 2 (commencing with Section 1985) of Title 3 of Part 4, and in Title 4 (commencing with Section 2016.010) of Part 4, as if the subject matter of the arbitration were pending before a superior court of this state in a civil action other than a limited civil case, subject to the limitations as to depositions set forth in subdivision (e) of this section.

(b) The arbitrator or arbitrators themselves shall have power, in addition to the power of determining the merits of the arbitration, to enforce the rights, remedies, procedures, duties, liabilities, and obligations of discovery by the imposition of the same terms, conditions, consequences, liabilities, sanctions, and penalties as can be or may be imposed in like circumstances in a civil action by a superior court of this state under the provisions of this code, except the power to order the arrest or imprisonment of a person.

(c) The arbitrator or arbitrators may consider, determine, and make such orders imposing such terms, conditions, consequences, liabilities, sanctions, and penalties, whenever necessary or appropriate at any time or stage in the course of the arbitration, and such orders shall be as conclusive, final, and enforceable as an arbitration award on the merits, if the making of any such order that is equivalent to an award or correction of an award is subject to the same conditions, if any, as are applicable to the making of an award or correction of an award.

## Cal Code Civ Proc § 1283.05

(d) For the purpose of enforcing the duty to make discovery, to produce evidence or information, including books and records, and to produce persons to testify at a deposition or at a hearing, and to impose terms, conditions, consequences, liabilities, sanctions, and penalties upon a party for violation of any such duty, such party shall be deemed to include every affiliate of such party as defined in this section. **§ 1295. Contract provisions**

(a) Any contract for medical services which contains a provision for arbitration of any dispute as to professional negligence of a health care provider shall have such provision as the first article of the contract and shall be expressed in the following language: "It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration."

(b) Immediately before the signature line provided for the individual contracting for the medical services must appear the following in at least 10-point bold red type:

"NOTICE: BY SIGNING THIS CONTRACT YOU ARE  
AGREEING TO HAVE ANY ISSUE OF MEDICAL  
MALPRACTICE DECIDED BY NEUTRAL ARBITRATION  
AND YOU ARE GIVING UP YOUR RIGHT TO A  
JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS  
CONTRACT."

(c) Once signed, such a contract governs all subsequent open-book account transactions for medical services for which the contract was signed until or unless rescinded by written notice within 30 days of signature. Written notice of such rescission may be given by a guardian or conservator of the patient if the patient is incapacitated or a minor.

(d) Where the contract is one for medical services to a minor, it shall not be subject to disaffirmance if signed by the minor's parent or legal guardian.

(e) Such a contract is not a contract of adhesion, nor unconscionable nor otherwise improper, where it complies with subdivisions (a), (b) and (c) of this section.

(f) Subdivisions (a), (b), and (c) shall not apply to any health care service plan contract offered by an organization registered pursuant to Article 2.5 (commencing with *Section 12530*) of *Division 3 of Title 2 of the Government Code*, or licensed pursuant to Chapter 2.2 (commencing with *Section 1340*) of *Division 2 of the Health and Safety Code*, which contains an arbitration agreement if the plan complies with paragraph (10) of subdivision (a) of *Section 1363 of the Health and Safety Code*, or otherwise has a procedure for notifying prospective subscribers of the fact that the plan has an arbitration provision, and the plan contracts conform to subdivision (h) of *Section 1373 of the Health and Safety Code*.

(g) For the purposes of this section:

(1) "Health care provider" means any person licensed or certified pursuant to Division 2 (commencing with *Section 500*) of the *Business and Professions Code*, or licensed pursuant to the Osteopathic Initiative Act, or the Chiropractic Initiative Act, or licensed pursuant to Chapter 2.5 (commencing with *Section 1440*) of *Division 2 of the Health and Safety Code*; and any clinic, health dispensary, or health facility, licensed pursuant to Division 2 (commencing with *Section 1200*) of the *Health and Safety Code*. "Health care provider" includes the legal representatives of a health care provider;

## Cal Code Civ Proc § 1295

(2) "Professional negligence" means a negligent act or omission to act by a health care provider in the rendering of professional services, which act or omission is the proximate cause of a personal injury or wrongful death, provided that such services are within the scope of services for which the provider is licensed and which are not within any restriction imposed by the licensing agency or licensed hospital.

Title 9.5. Arbitration of Firefighter and Law Enforcement Officer Labor Disputes

*Cal Code Civ Proc § 1299 (2008)*

**§ 1299. Legislative findings and declarations; Intent**

The Legislature hereby finds and declares that strikes taken by firefighters and law enforcement officers against public employers are a matter of statewide concern, are a predictable consequence of labor strife and poor morale that is often the outgrowth of substandard wages and benefits, and are not in the public interest. The Legislature further finds and declares that the dispute resolution procedures contained in this title provide the appropriate method for resolving public sector labor disputes that could otherwise lead to strikes by firefighters or law enforcement officers.

It is the intent of the Legislature to protect the health and welfare of the public by providing impasse remedies necessary to afford public employers the opportunity to safely alleviate the effects of labor strife that would otherwise lead to strikes by firefighters and law enforcement officers. It is further the intent of the Legislature that, in order to effectuate its predominant purpose, this title be construed to apply broadly to all public employers, including, but not limited to, charter cities, counties, and cities and counties in this state.

It is not the intent of the Legislature to alter the scope of issues subject to collective bargaining between public employers and employee organizations representing firefighters or law enforcement officers.

The provisions of this title are intended by the Legislature to govern the resolution of impasses reached in collective bargaining between public employers and employee organizations representing firefighters and law enforcement officers over economic issues that remain in dispute over their respective interests. However, the provisions of this title are not intended by the Legislature to be used as a procedure to determine the rights of any firefighter or law enforcement officer in any grievance initiated as a result of a disciplinary action taken by any public employer. The Legislature further intends that this title shall not apply to any law enforcement policy that pertains to how law enforcement officers interact with members of the public or pertains to police-community relations, such as policies on the use of police powers, enforcement priorities and practices, or supervision, oversight, and accountability covering officer behavior toward members of the public, to any community-oriented policing policy or to any process employed by an employer to investigate firefighter or law enforcement officer behavior that could lead to discipline against any firefighter or law enforcement officer, nor to contravene any provision of a charter that governs an employer that is a city, county, or city and county, which provision prescribes a procedure for the imposition of any disciplinary action taken against a firefighter or law enforcement officer.
